

Vaccination is open to:

1. Persons with a NISS/INSZ number, in certain cases also without documents!

The NISS/NISZ number is a national identification number in the population register, the register of foreigners or the waiting register. It consists of 11 figures and starts with your birthday in reverse order.

Where to find the NISS/INSZ number?

- on the Belgian identity card
- on the identity card for foreigners or residence permit
- on the isi+ (delivered by the mutuality)
- on the 'Attestation d'immatriculation'/'Atest van immatriculatie' (orange card)
- on the 'Annexe 15' (*attestation de séjour temporaire*)/'Bijlage 15' (*attest voor voorlopig verblijf*)
- on the 'Annexe 19' (*demande d'attestation d'enregistrement ou de carte d'identité d'étranger en qualité de ressortissant suisse*)/'Bijlage 19' (*aanvraag van een verklaring inschrijving of van een identiteitskaart voor vreemdelingen in de hoedanigheid van Zwitserse onderdaan*)
- on the 'Annexe 19ter' (*demande de carte de séjour de membre de la famille d'un citoyen de l'Union européenne ou de carte d'identité d'étranger en qualité de membre de la famille d'un ressortissant suisse*)/'Bijlage 19ter' (*aanvraag gezinshereniging met Unieburger of Belg door derdelander*)
- on the 'Annexe 35' (*document spécial de séjour*)/'Bijlage 35' (*bijzonder verblijfsdocument*)
- on the Request for regularization 9ter (*Demande de régularisation 9ter*/Regularisatieaanvraag 9ter)
- on the Limosa declaration
- on the work permit ...

Attention! If you once filed an application for asylum, for family reunification or a request for regularization 9ter (deemed admissible) which has been rejected, **you also have a NISS/INSZ number effective for vaccination registration.**

Attention! A NISS/NISZ number is permanent, even if one of the above-mentioned documents has become invalid.

2. Persons with a BIS number, even without documents!

A BIS number is an identification number for persons who are not registered in the population register, the register of foreigners or the waiting register. A BIS number consists of 11 figures.

Where to find your BIS?

- on a AMU (*aide médicale urgente*)/DMH (*dringende medische hulp*) delivered by CPAS/OCMW

Other current conditions to be vaccinated:

- you are born in 2003 or older and live in a Brussels' municipality, or
- you received an official invitation to vaccinate, or
- you are a patient at risk

Register on BRUVAX:

You can register for the vaccination:

- by calling 02 214 19 19
- online on BRUVAX: <https://bruvax.brussels.doctena.be>

If you have a problem with your online registration, call 02 214 19 19.

For persons without documents and without NISS/INSZ or BIS number:

The government is finalizing the organisation of persons without documents and without NISS/INSZ or BIS number. Once we have information about that, we will post it on our website www.doucheflux.be and on Facebook and Instagram.

Attention! The MOBIVAX vaccination campaigns which take place at DoucheFLUX focus in particular on people living in extreme poverty: homeless persons, squatters...

Attention! Persons vaccinated by MOBIVAX, and who do not have a NISS/INSZ or BIS number are handed a vaccination card which *does not entitle to the European Union Digital COVID Certificate*. If you want to get the European Union Digital COVID Certificate you had better wait for the coming procedure for persons without documents and without NISS/INSZ or BIS number.
